Worth knowing about our way of cooking

Dear Guests

In the Leckerei, we make high demands on the utilized eatables – Convenience is horrible for us!

What you should know about our way of cooking:

- In our kitchen we only use Seasalt without additives and Himalayan Salt. We disclaim white sugar.
- Wherever possible, we surrender additives.
- We use organic food/products.
- We cook without Aluminium and have ambition handle wise with our Ressources.
- Because we cook fresh, we don't waste foods.
- We recycle.

For the few things we can't produce at ourself, we have only chosen first-class Manufacturers.

Our Ice-Cream comes from a little Manufactory in the region of Rheintal., where they were made with lot of Love and Commitment by the Operater of the Manufactory. First-Class Quality, natural and seasonal Products are on the highest positions.

Our supplier Bakery, is a specialiced Production- and -Servicecompany which are working with detriment persons.

They work with food in Demeter- and Knospe-Quality and with passionate Handcraft.

The Flour comes from an old mill in the near of our Restaurant (Lamperswil TG).

This Mill gets the Grain from regional farmers, which were all known by the Bakery.
